

1-888-453-0885 Air France Boston Office

Here is the detailed structured content for Air France Boston Office, written in the same professional format:

Air France serves the Boston metropolitan area primarily through Boston Logan International Airport (BOS). The airline does not operate a public walk-in ticket office in downtown Boston. Passenger services are available at airport counters and through official phone and online support channels.

Airport Location

Logan International Airport

1 Harborside Dr, Boston, MA 02128, USA

Air France operates from Terminal E (International Terminal) at Logan International Airport. Terminal E handles international departures and arrivals, including Air France long-haul flights between Boston and Paris.

Boston Logan serves as Air France's primary gateway in the New England region for transatlantic travel.

There is no separate city-center Air France office in Boston. For ticketing, check-in, baggage services, or same-day travel concerns, passengers should visit the airline's airport counters or use official support channels.
